Written Route Instructions

Version 1.2 : April 2022

Updated for possible diversion at Bamford, see Section 3

This document contains written instructions for following the 70km Peak District 70th Birthday Bash route, and the shorter 35km route. Both are in a clockwise direction.

They should be used in conjunction with a good quality and detailed map of the area showing rights of way, areas of open access land etc. 1:25,000 scale is recommended.

They are a reflection of how things looked like on the ground at the time they were prepared, but please bear in mind that things can change over time.

If you spot any errors or omissions, or have suggestions for improvement please let us know by emailing: info@peakrunning.co.uk
